ThunderPeaks Pinewood Derby  
2016 - Open Unpowered- Results

| Place | Car # | Name          | Car Name                   | Avg MPH |
|-------|-------|---------------|----------------------------|---------|
| 1     | 801   | Ethan Holley  | Blue Thunder               | 181.8   |
|       |       |               |                            |         |
|       |       | Coollest Car: | Ethan Holley, Blue Thunder |         |

The graph displays the performance of various teams across different places. The Y-axis represents speed in MPH, ranging from 175.0 to 200.0. The X-axis represents the place, ranging from 1 to 20. The legend identifies the following series:

- Webelos II (Yellow)
- Webelos I (Grey)
- Bear (Cyan)
- Wolf (Red)
- Tiger Cub (Orange)
- Open - Sibling (Magenta)
- Open - Stock (Brown)
- Open - Unpowered (Purple)
- District Finals (Green)

The District Finals series (green) shows the highest performance, starting at approximately 194.0 MPH at Place 1 and ending at approximately 186.0 MPH at Place 15. The Open - Unpowered series (purple) is not visible in the graph, likely due to its values being outside the plotted range.

## Participation By Pack
